Cash Box - Guangzhou, China

Cash Box is one of the largest and most famous karaoke groups in Asia. With 80 existing branches in Taiwan and more than 20 in China, Cash Box' s expansion in China is well underway.

To create a truly unique singing experience in the karaoke bar in Guangzhou, China, Traxon installed a total of 250 Cove Light 12 SMD RGB throughout the lounge area and entrance hall.

Controlled by DMX technology, the Cove Light 12 SMD RGB allows for creation of a broad range of different colors and spectacular color changing effects, transforming the karaoke bar into a fascinating and atmospheric venue.
